

## **Limited Lifetime Warranty For Bathtub Liners & Wall Surround Systems**

**Manufacturer warrants products made from Lux-San® 3000, 4000, and Premiere series materials found in acrylic tubliners, acrylic replacement bathtubs, shower floors (bases) and wall surrounds, for the lifetime of the product against defects in material and workmanship.**

### **Bathtub liners, shower bases, acrylic replacement bathtubs, and wall surround coverage:**

Manufacturer warrants that the surface will not materially fade, yellow, crack, bubble, or peel under normal use and when cared for under the guidelines set forth by the manufacturer. These guidelines expressly prohibit the use of any abrasive cleansers and damage resulting from their use and any such use would therefore not be covered under the terms of this warranty. Since any fixture, including a new one, can be chipped or scratched by hard objects impacting the surface, we cannot warrant against this type of damage. In addition, the following items or conditions could damage the acrylic surface and therefore void this lifetime warranty: damage resulting from contact with dyes, paints, inks, certain cosmetics, or cleaning agents, abrasive pads, pigments, certain foods, paint remover, fingernail polish remover, solvents or other chemicals, cigarettes or other sources of extreme heat or damage resulting either directly from misuse or abuse, whether deliberate or unintentional.

In the event of a failure of the acrylic surface under these terms, Luxury Bath Systems, reserves the right to partially repair, completely replace, or provide a full or partial refund, whichever Luxury Bath Systems deems appropriate in its discretion.

This warranty is in lieu of all warranties, expressed or implied, and is, in fact, the only warranty in regard to bathtub liners and wall surrounds offered by the manufacturer. **This warranty will be extended to systems which are installed utilizing only installation materials purchased from manufacturer and will be void if any other installation materials are used.** In any event, the manufacturer, shall be responsible only for repairs, replacement of tub liners or wall systems, or a refund not to exceed the total amount paid for the tub liners or wall systems originally. The manufacturer will in no way be liable for any losses, time, expenses, inconvenience, or incidental damage. This warranty does not cover installation and installation must be done by a certified bath liner installer, or the warranty is voided. The installation warranty may be covered by the original installation company.
